

Empowering the door to do more.

With a built-in Ring Video Doorbell, Yale smart lock, motion-sensing security LED lights and a smartphone app, safety has never been smarter.

Power that never runs out.

A tech-powered, fully integrated door with an emergency backup battery** means your door will always be on.

**Battery backup device lasts up to 24 hours per full charge.

Constant connection. Endless convenience.

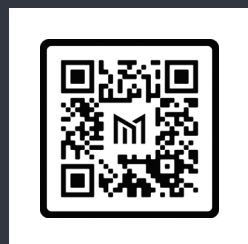

Interface with your door from anywhere and know what's happening at your home anytime. Watch comings and goings, turn lights on without lifting a finger, and lock or unlock your door whether you're home or away with a tap on your smartphone.

A front door that always has your back.

The Masonite M-Pwr smartphone app lets you turn your lights on and off, and tells you if your door is open or closed — so you can be in control from any location at any time.

DOORS THAT DO MORE™

Come home to smart.

Always Connected. Always Protected.

**Always Connected.
Always Protected.**

The Masonite M-Pwr Smart Door is the first of its kind, offering built-in tech like fully integrated power backed by an emergency backup battery**, LED lights, a Ring Video Doorbell, a Yale smart lock and more. It's a frictionless digital door system you can control with your phone, so you can always stay connected wherever you are.

m·pwr Smart Doors

Introducing the first-ever* powered and fully integrated smart door.

Fully Integrated Power
Connected to your home's power supply, so it's always on.

1 Battery Backup**
Even if your power goes out, your door stays on.

M-Pwr Smartphone App
Control lights, check if the door is open or closed, customize your settings and more.

2 LED Welcome Lighting
Programmable, motion-sensing lights show you the way.

3 Ring Video Doorbell
Monitor your front door from anywhere with a seamless, built-in Ring Video Doorbell.

4 Yale® Smart Lock
Lock and unlock your door from anywhere with your phone.

5 Door State Sensor
A sensor lets you know if your door is opened or closed.

6 Premium Fiberglass Door
High-quality, long-lasting construction stands up to wind and water.

7 Endless Style Options
Select a door that suits your home with a range of colors and glass styles.

*M-Pwr is the first residential exterior door to integrate power, lights and a video doorbell into the door system. Patent pending.
**Battery backup device lasts up to 24 hours per full charge.

A look that's built to last.

Masonite M-Pwr Smart Doors prove that tough can be beautiful, with excellent performance in inclement weather conditions and numerous glass and style options. With the beauty of real wood and the durability of fiberglass, these doors won't rot, warp or crack. It's an investment that will look great for years to come.

- 10-year limited warranty
- Your investment is covered and built to last
- Entire door system is crafted with performance materials and better construction that helps keep out wind and water
- Factory finished for consistent quality and color
