

Upgrade Home Improvement

Grow your business with a flexible payment option for your customers. See the benefits.

Good for your business

Contractor cash rewards

Earn cash back rewards for offering your customers flexible payment options

Know before you go

Check which appointments will be eligible for promotions before sending your sales consultants

Additional credit for future projects

Homeowners may have access to additional credit through Upgrade after the project is complete

Flexible technology

Offer financing solutions, request payments, and change account settings from phone, tablet, or computer

Game-changing fees & approval rates

High homeowner approval rates while paying less

Contractor leads (coming soon)

Allow Upgrade to offer their millions of customers extra cash back incentives to pick you as their contractor

Good for your customers

Eliminate punitive interest

No/No plans that don't start the clock on interest until after the promo ends

Easier application process

Homeowners apply with a soft credit pull and no SSN#, from your device or theirs

Promo/payment combo

Offer a true 0% interest promotion for a year that then converts to 7.99% APR in year two

Collaborative complaint process

When a homeowner is unhappy, be treated like a partner instead of an adversary

Protects your reputation

A financing solution that is beloved by their borrowers
